Masking Paper 40g/m²

Characteristics

Finely milled, high strength kraft paper. For covering vehicle body panels when painting. Its density makes it impervious to coatings. Thin and flexible for easy use.

Tech Tip

Specific for water based paint
 No paper dust or fluff
 Technical paper with very stable characteristics
 Heat resistant up to 200 °C

Technical Data

Grammage (g/m ²)	40 +/- 2
Breaking force lengthwise (N)	> 52
Breaking force crosswise (N)	> 23
Breaking length lengthwise (m)	> 9000
Breaking length crosswise (m)	> 4000
Breaking length medium (m)	> 6500
Q/L Ratio (%)	> 30
Burst pressure absol. (kPa)	> 170
Burst pressure rel. (kg/qcm)	> 4,0
Air permeability (ml/min)	70 +/- 30
